PAINT & FINISH REMOVER
Soy-Based Formula: Superior Strength & Results
Without Harmful Chemicals

Removes: Latex and oil–based paints & most finishes without harming surfaces

Performance Characteristics:
- REMOVES – 5+ Layers of paint in 1 hour
- ECO FRIENDLY – Biodegradable

Recommended Uses:
BULLS EYE PAINT & FINISH REMOVER safely and effectively removes all types of paints and most clear finishes from wood, metal, masonry, vinyl, marine and most other surfaces without harming the underlying material. Plus, it is very low in odor, non-flammable, low VOC, biodegradable and safe for indoor use. BULLS EYE PAINT & FINISH REMOVER will remain wet and active for over 24 hours and the longer it stays on the surface, the more layers will be removed.

Application Data
Preparation - BULLS EYE PAINT & FINISH REMOVER is ready to use. DO NOT DILUTE. The surface should be dry and less than 100 ° F. Spread a solvent resistant drop cloth around work area in case of drips, spills or overspray.

WARNING! If you scrape sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-Approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

Application Requirements
Read all directions prior to use and always test in an inconspicuous area before using. BULLS EYE PAINT & FINISH REMOVER penetrates the top layer quickly – usually in 1 to 5 minutes. Older coatings may take more time. Not recommended for epoxies and urethanes. May soften some plastics if left on for longer periods of time. Removal process should be checked frequently.

1. Apply a uniform coat using an inexpensive, natural bristle brush, roller or the supplied sprayer.
2. Allow the remover to stay on the surface 30 minutes to one hour, or until the coating is softened. BULLS EYE PAINT & FINISH REMOVER will stay wet and active for over 24 hours. Test for softness by gently scraping surface with a plastic stripping tool or wiping with a clean cloth. The time required will vary depending on the thickness and type of coating being removed.
3. Remove old, softened finish with a plastic stripping tool or scraper or wipe the surface with a rag. Glean grooves with a stripping or scrub brush. Use dry steel wool to remove stubborn spots.

First Aid – In case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately. In case of skin contact, wash thoroughly with soap and water for at least 15 minutes. Remove contaminated clothing and shoes. Get medical attention immediately. If you experience difficulty breathing leave the area to obtain fresh air, if continued difficulty is experienced get medical attention immediately. If swallowed contact a physician or poison control center immediately. Do not induce vomiting unless directed to do so by medical personnel.

DANGER – Contains methanol, methylene chloride, methanol, toluene and dipropylene. Do not smoke. Keep away from heat, spars and flame. Contact with flame or hot surfaces may produce toxic/corrosive gasses. USE ONLY WITH ADEQUATE VENTILATION. Prevent build-up of vapors by opening windows and doors to achieve cross ventilation. Vapor is harmful, it may affect the brain or nervous system causing dizziness, headache or nausea. Methylene chloride has been shown to cause cancer in certain animal laboratory tests Risk to your health depends on level and duration of exposure. Prolonged exposure reduces the blood’s oxygen carrying capacity. NOTICE: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Do not
breathe vapors or spray mist. Ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness or if air monitoring demonstrates vapor/mist levels are above applicable limits, wear an appropriate, properly fitted respirator (NIOSH approved) during and after application. Follow respirator manufacturer’s directions for respirator use. Cannot be made non-poisonous. Causes eye burns and skin, nose and throat irritation. Do not get in eyes on skin or clothing. May be harmful if absorbed through skin. May cause allergic skin reaction. Wash thoroughly after handling. WARNING: This product contains a chemical known to the State of California to cause cancer and birth defects, or other reproductive harm. Close container after each use. Wash thoroughly after handling. Wash clothing before re-use. Thoroughly clean contaminated shoes. KEEP OUT OF REACH OF CHILDREN.

**Disposal** – Call your local sanitation department for aid in disposing of unwanted product in your area or call the Environmental Protection Agency Solvent and Hazardous Waste hotline at 1-800-424-9345. Do not dump on the ground or in local sewer discharge system.

**Spillage** – Open containers carefully and close after each use. If spilled, contain spilled material and remove with inert absorbent. Dispose of contaminated absorbent, container and unused contents in accordance with local, state and federal regulations. Clean up rags, papers and waste promptly. Allow solvent to evaporate then dispose of in a metal container.

Use this product outdoors, if possible. If you must use it indoors, open all windows and doors or use other means to ensure fresh air movement during application and drying. If workplace monitoring indicates methylene chloride levels cannot be controlled to below the OSHA exposure limits (20 CFR 1910.1050), then appropriate respiratory protection must be provided. Obtain professional advice before using respiratory protection. A dust mask does not provide protection against vapors. Do not use in a basement or other unventilated areas.

**Warranty:**
This product will perform as claimed if applied according to our directions. The directions apply to most applications, but may not cover special conditions, applications, techniques and/or surfaces. If you have a question, check with your dealer or contact Rust-Oleum Corporation, Vernon Hills, IL. Warranty is limited to replacement or refunded value of product actually used if such product proves to be defective within two years of manufacture.

**Technical Assistance** - Available through local authorized Rust-Oleum dealers. For the dealer nearest you call 847-367-7700 or visit our website at [www.zinsser.com](http://www.zinsser.com).
